Subject: Dimock OSC Conference Calls

Linda,
Until further notice, I'd like to set up a 9am OSC conference call on Dimock. I am happy to switch to the "other " number than Ex. 8 - Personal Phone I understand it may be more complicated to use, but since we are going to do this every day (maybe this weekend, but not sure). But for sure will start next Tuesday.

Let me know your thoughts on how to make this happen.

thanks for the help the past week with this issue. please pass that on to Josie and others how helped and assisted.

Rich
